Notes:

1. During this course, the student will be performing duties that he has not performed before and using equipment that he may not have used previously. The FSBE and IFAK should be brought complete to the course so the student has the gear available to reconfigure and make adjustments as needed.
2. Gear listed above will be used through the duration of the MMBC course.
3. Students should arrive with vest setup to facilitate carry of mechanical tools (sledge, halligan) and shotgun.
4. Units are responsible for providing letters of transmittal and transportation for NVGs. This applies to Camp Lejeune area students only.
5. Rifles, Eotechs, gunlights and MBITRS will be provided by MSOS for the students. AN/PVS-15s will also be provided for students from units outside of the Camp Lejeune area.
